

FROM SILVER TO GOLD

How Continuous Improvement
Earned ONICON Ecovadis Gold

A JOURNEY BUILT ON CONTINUOUS IMPROVEMENT

In just one assessment cycle, ONICON advanced from EcoVadis Silver to Gold by strengthening sustainability programs, improving governance practices, expanding ESG reporting, and embedding sustainability throughout the organization.

TURNING COMMITMENTS INTO ACTION

Our EcoVadis improvement journey focused on strengthening policies, documenting actions, measuring performance, and expanding accountability across every area of the business.

ENVIRONMENT

- Hardware reuse policy
- Value design checklist
- Disposal recommendations
- Sustainability reporting
- Action tracking and reporting

LABOR & HUMAN RIGHTS

- Human rights assessment
- Employee engagement initiatives
- Enhanced employee programs

ETHICS

- Ethics commitments and goals
- Whistle blower procedures
- Ethics training and awareness

SUSTAINABLE PROCUREMENT

- Supplier ESG screening
- Supplier risk assessments
- New supplier audit form with CSR criteria
- Buyer training and awareness

Measuring What Matters.
Powering a More Efficient and Sustainable Future.
